What do you personally hope to gain from this residency? (max – 580 characters)

**Public Program idea:**

Audiences are typically made up of a mix of local residents and park visitors, many are older adults, some with mobility issues. The Friends have a rustic facility with electricity and water available as well as outdoor spaces with a canopy cover. Because we have so many mediums represented we do not budget for or try to stock art supplies, however, we will work with you to the best of our ability.

**Ability to reside in a wilderness environment**

What have your past experiences been. Have you hiked, back-country camped, car camped or otherwise enjoyed time in the wilderness? If you are differently abled etc. have you thought of a possible solution to make this residency doable for you? (max. – 580 characters)

**Willingness to Donate:** I \_\_\_\_\_ will donate an original piece of work representative of my residency to the permanent collection of the Friends of the Porkies. I understand that my donation needs to be delivered within one year, framed, bound or otherwise gallery ready and will offer the public an opportunity to gain new insights and enjoy the park through my artistic interpretation.
